<del>August</del>	21 <sup>st</sup>				27th		
September	18 <sup>th</sup>						20th
<del>October</del>	16 <sup>th</sup>		18th				
<del>November</del>	20 <sup>th</sup>						
December	18th						

\*\* Denotes a two-day class. Refresher courses are one day courses.

Heartsaver classes are scheduled from 6-9 p.m.

BLS Provider courses are 8-12. Refresher will be scheduled for similar time frame although it may not last as long.

ACLS and PALS courses will be 8-5 for one- and two-day courses. They may finish early on the second day of initial provider courses.

CPR with First Aid classes may be offered in between these offerings for the public who request them.

Stay tuned for changes or cancellations to this schedule. Also, stay tuned for other opportunities for classes such as PHTLS, GEMS, AMLS, NRP, S.T.A.B.L.E., and other educational programming.

October during Open House- Hands only CPR courses to engage and catch public interest in becoming certified.

Classes can be added for new employees or interest by AEMT providers for courses like ACLS and PALS. This course will NOT enable you to utilize paramedic skills, however, will allow you to gain knowledge and CEHs towards license renewal requirements.
